It Takes All of The Body of Christ for the Church to Succeed

There is no
small service
to God;
it all matters.

It takes team work to cover all of our Sunday ministries. Prayerfully consider helping with the Sunday morning nursery; worship greeters, IT/ tech team, the hospitality center and our Sunday night children’s ministry, The Connection. Those who serve will tell you that it is greater to give than receive. Come and check out the blessing of being in service to our Lord!

ANNOUNCEMENTS

Dear Friends at Dover Bethany,

It is George's wish to continue to support the church monthly, even though he is no longer able to attend. April 29th, Caring Hospice Services of Lancaster was called to assist with George's care. He is having difficulty doing even the simplest things that most of us take for granted, like eating, walking and even getting a good night's rest. He is in a very restless and agitated state, which Hospice is trying to remedy with medication. Right now, comfort care is about all that can be offered. However, we all hope for better days that we can share with him.

We appreciate the visits, prayers, and concerns for George. Please let his friends and family in the congregation know of his situation, and that he and the family appreciate you all.

Sincerely,

The George Laird Family

Since receiving this note, George passed on Thursday, May 9th. Our prayers and love go out to his family.

Our guest speaker is Pastor Bola Adebisi of International Mission Opportunities. Bola & Aimee Adebisi have been married for 26 years. They have been organizing and leading medical mission trips for over 18 years. Bola and Aimee have a deep love for God and a huge heart for people.

The Adebisis founded IMO, a medical missions ministry that brings medical and non-medical volunteers to Africa to provide free surgeries and medical care to the underserved. Since 2003 they have been recruiting volunteer doctors, surgeons, dentists, and other healthcare professionals as well as non-medical volunteers to conduct overseas medical projects in areas where healthcare is limited or difficult to obtain. A number from our Dover Bethany family has served with them on these mission trips.
